Six Week Program For Recreation To Start Monday, 20th.

Coach William D. (Bill) Howard and Coach Webb Pell of Pahokee High School as co-directors of the Summer Recreation Program in the Pahokee City Park are combining their talents in youth leadership to make this year's program interesting and beneficial to all children of the community.

The six-week recreational program, sponsored annually by the Palm Beach County Board of Public Instruction, will start Monday, June 20, and end Friday, July 29. Although children may join in the program anytime it is in progress, everyone who can be asked to register on the opening day, June 20, in order to get teams, play groups and classes organized as soon as possible. The recreation periods will be from 8 a. m. until 12 noon and from 1 to 5 p. m., daily, Mondays through Fridays.

Swimming in the city pool is expected again this year to be the most popular form of recreation offered on the program. Swimming classes for school children of all age groups will be held at the pool, and plans are being made for a class of preschool children from four to six years old to learn swimming lessons in the wading pool at the north end of the regular pool.

There will also be instruction of gymnastics on the trampoline, tennis, softball, baseball, basketball, horseshoe, pitching, volley ball, deck tennis, table tennis, archery and similar sports. If enough interest is shown in arts and handicraft to make it worthwhile to organize a class, this group will meet in the park pavilion.

The City of Pahokee is contributing funds up to \$200 for the purchase of recreational equipment to be used in this summer's program.

School Teachers Plan For Summer

With the close of the 1954-55 school year several Pahokee and Canal Point school teachers have announced plans for the summer:

Mrs. Alma Burr will conduct a special class at the Canal Point School for first grade pupils who were forced to miss school for lengthy intervals during the past year because of illness. Other first graders may also join this class which will last for approximately six weeks.

Assistant principal and Mrs. Brooks Henderson will spend part of the summer with relatives in Flemingsburg, Ky.

Mr. and Mrs. Thomas Kubeck will visit relatives in Connecticut and also plan to visit in New Hampshire before going to Chapel Hill, N. C., where he will enroll in the summer session at the University of North Carolina.

Principal and Mrs. Carl Crawford will spend the summer at Morehead, Ky., where Mrs. Crawford will enroll in the summer session at Morehead State College. Mr. Crawford may also take some courses of study there this summer. They plan to tour the New England States before returning to (continued on page 8)

FFA Chapter Wins Rating At Daytona

The Pahokee Chapter, Future Farmers of America, won third place in chapter accomplishments in District Six at the State FFA Convention in Daytona Beach this week, according to Loren O'Neal, Pahokee Chapter advisor. The local chapter also won first place in the district in the "Pass the Chicken, Pap" contest, a chicken growing contest sponsored by a mail order house.

James Usher, who served as president of the Pahokee Chapter during the past year and is a candidate for the State president's office, was awarded a State FFA degree at the convention on Wednesday.

Funeral Services Held For Dr. Harry Elarbee Saturday

Funeral services for Dr. Harry Moore Elarbee, 52, were held at the Pahokee First Methodist Church Saturday at 11 a. m., June 11, with the Rev. U. W. Malcolm, pastor of the Belle Glade First Baptist Church officiating. Graveside services were held the following day, Sunday, at Groveland, Ga., where the body was sent by Wetherington's Funeral Home for burial.

Dr. Elarbee was found drowned in his car at the bottom of the West Palm Beach Canal three and a half miles west of 20-Mile Bend around noon Friday by a search party that was dragging the canal. Ronnie Elliott and Airman 1-C Sammy Walker were in the boat that first made contact with the sunken car. Dr. Elarbee had been missing from his home since Saturday, June 4, and it is believed by investigating officers that the fatal plunge in the canal was made after dark Monday, June 6. Peace Justice Robert T. Eardin determined that he came to his death by accident and no inquest was necessary.

A native of Groveland, Ga., he was a graduate of Emory University, Atlanta, and practiced medicine in Claxton, Ga., before coming to Pahokee in 1937. Soon after arriving here he and his father, Dr. George W. Elarbee, helped to organize the first hospital in the Glades area, the Everglades Memorial Hospital.

He is survived by a son, Harry Brooks Elarbee, and his parents, Dr. and Mrs. George W. Elarbee, all of Pahokee.

Pal-bearers were B. Elliott, Lewis Friend, Rupert Mock, Joseph Kahn, Thomas Elliott and Minter Collins.

Attends Daytona Convention Of FFA

James Usher, retiring president of the Pahokee Chapter Future Farmers of America, is attending the annual State FFA Convention in Daytona Beach this week and is a candidate in the race for the presidency of the Florida Association of Future Farmers of America.

He was accompanied to Daytona Beach by Wayne Unwin and Alfred Kahn who, are representing the Pahokee FFA Chapter as delegates to the convention and by Loren O'Neal, Pahokee FFA Chapter advisor.

Music Program To Start Next Monday

Monday, June 20, will mark the opening of the eighth Summer Music Program arranged for Pahokee school children, under the sponsorship of the Palm Beach County Board of Public Instruction and the State Department of Education, according to Bandmaster Robert O. Lampi who will be in charge of the program.

Registration will take place at the Pahokee High School Band House Monday from 8 a. m. until 12 noon, however, those unable to register at that time may do so at a later time. Classes will be conducted at the band house for beginners on Mondays, Wednesday, and Fridays from 10 a. m. until 12 noon and for band members on Tuesdays and Thursdays from 10 a. m. until 12 noon through the six-week period of the program which ends July 29.

The morning hours from 7 to 10 a. m. and the afternoons from 1 to 5 p. m. will be used for individual or ensemble instruction daily, Mondays through Fridays.

The purpose of the summer music program, according to Mr. Lampi, is "to meet the needs for recreation and character development of children of school age. Through guidance by qualified and trained leadership in activities which are interesting, enjoyable and suited to the individual (continued on page 8)

Breakwater Bids Called For June 24

The City of Pahokee is asking for bids for the construction of the proposed new 1,200-foot breakwater at the Pahokee waterfront to protect the city pier, the contractor to furnish all materials, labor, supplies and equipment for the concrete and steel sheet breakwater and its supplementary groin. Bids will be received up until 10 a. m., June 24.

K. C. Mock and Associates, who are doing the preliminary engineering services on the project for the city, have complete plans and specifications for its construction in their office in the City Center Building, Lake Worth.

Beer, Wine License Is Restricted In B. Glade

The County Commission this week prohibited the issuance of any new beer, wine or liquor licenses in a section outside of Belle Glade following a petition for such a move from area residents and the Belle Glade Housing Authority.

The board voted that the one liquor establishment now in operation in this area be allowed to continue. The area, located in the south half of section thirty, contains both a large packing house and the Chosen migratory labor camp. The petition, presented by Commissioner Paul Rardin, Canal Point, at the last meeting, was signed by more than 125 residents, he said.

OFF TO BOYS' STATE

Jim Seay and Hunter Latham will leave today for Tallahassee where they will attend Boys' State as representatives of Pahokee High School.

Natural Gas May Be Available In Glades

Natural gas may be available soon in Palm Beach county and the Everglades if present plans materialize as they are being formulated by Houston Gas and Oil Corporation. In a letter to James W. Repper of Canal Point that concern states that the pipe line for natural gas will run from Okeechobee to Indiantown and thence to West Palm Beach.

If the Everglades section is to have natural gas, a franchise will be available for such service, it was pointed out by the Houston concern. Mr. Repper has a letter from the concern and he will be happy to give whatever information he has to anyone interested.

Canal Point School Rec Program Start On Monday, June 20

The Summer Recreation Program for school-age children of Canal Point, sponsored by the Palm Beach County Board of Public Instruction, will open at the Canal Point School Monday, June 20, and continue for six weeks through July 29, according to Herbert A. Miller, director of the local program.

The children will have opportunities to participate in swimming, baseball or softball, tumbling, track and field events, and other social and team games. The quiet activities will include table games, arts and craft work, movies, ping pong, shuffle board and the like.

The hours of recreation will be from 8 a. m. to 12 noon and from 1 to 5 p. m., daily, Mondays through Fridays, while the program is in progress. The Canal Point Parent-Teacher Association is assisting with the purchase of recreational equipment and Boy Scout Troop 24 is permitting the use of its bus for transporting the children to and from the Pahokee city pool during the swimming period.

All children who can participate in the program are asked by Mr. Miller to register, if possible, on the first day in order that a schedule of activities can be planned to provide recreation of greatest interest to the largest number of children. Children may register, however, any day during the program. Parents are urged to bring their school-age children, meet the director and help get the children started in the activities in which they wish them to participate. A summer of wholesome activities can thus be provided for the children of the Canal Point area, Mr. Miller said.

THE WINNERS IN THE BASS FISH CONTEST

Winners in the bass fishing contest conducted by the Pahokee Chamber of Commerce have been announced and awards will be made at the annual Fourth of July celebration. The winners are as follows:

First Prize	Mrs. Pearl Raulerson	8 lbs.
Second Prize	Joe Cherry, Jr.	7 lbs. 12 oz.
Third Prize	Willie Veal, Jr.	7 lbs. 4 oz.

There were 31 entrants in the contest.

Mystery Surrounds The Disappearance Of Chillingworths

Mystery surrounds the disappearance of Circuit Judge and Mrs. C. E. Chillingworth from their Manalapan home sometime between 10 p. m. Tuesday and 8 a. m. Wednesday morning. The Chillingworths lived in Palm Beach but during summer months moved to their summer cottage in the little municipality of Manalapan to the south of Palm Beach.

The Chillingworths were guests of Tax Assessor and Mrs. Jas. M. Owens, Jr., for dinner on Tuesday night and left for their Manalapan home about 9:30—nothing has been heard from them since that time. Their home showed that they had spent the night there but no arrangements had been made for breakfast. A painter, who was to do some work for the judge, sounded the alarm when he went to the home and found them missing.

The dinner at the Owens home on Tuesday night marked the 32nd anniversary of Judge Chillingworth becoming a circuit judge on June 14, 1923, when he was appointed to the position by Governor Hayes. The Owens and Chillingworth families are pioneers of the Palm Beaches and have been close friends for many, many years.

State Attorney Phil O'Connell and Sheriff John Kirk and other law enforcement officials have left no stone unturned in their diligent search for a clue. Up until time to go to press Thursday afternoon the case had not been broken. A few drops of blood and signs of a scuffle at the foot of the steps to the Chillingworth home led officials to believe that the pair had been kidnapped and possibly murdered.

Sidewalk Plans Be Pushed In Pahokee

The Pahokee City Council at a regular meeting Monday night voted to get the city's new sidewalk construction program in the south-east residential section started as soon as possible. The program calls for the construction of approximately 7,200 feet of sidewalks on Ammona, Banyan and Cypress Avenues between SE 2nd St. and SE 4th St., at an estimated cost of \$16,500. A public notice of the proposed sidewalk construction with a list of the property owners on whose land it will front is to be printed in the next issue of the local newspaper and construction is to start between 15 and 30 days after the public appearance of the notice. A special assessment will be imposed on the property directly benefited by the sidewalks and the first annual installment payment by the property owners to the city for the cost of the sidewalks will become due July 1, 1956.

The Council accepted the bid of the Coastal Motors and Equipment of \$890 for the purchase of a Buffalo turbine dusting machine for use in the city's mosquito control program, with the stipulation all specifications in the advertised bid must be met by the company.

City Clerk Dorothy Graham was authorized to advertise for bids for gasoline and oil to be used in the (continued on page 8)

Miss Charlotte Cate On June 19 To Wed Wayne Burdeshaw

Plans have been announced for the wedding of Miss Charlotte Ann Cate and Daniel Wayne Burdeshaw, the double ring ceremony to be an event at the Episcopal Church of the Holy Nativity Sunday, June 19, at 3 p. m., with Father Wendell Hamlin, vicar of the church, officiating.

The program of nuptial music will be presented by Mrs. H. C. Gfaham, organist, and Mrs. Hugh Branch, soloist.

Miss Cate has chosen Miss Lovda Williams, a cousin, to serve as her maid of honor and her sister, Cornelia Dowd Cate, as junior bridesmaid.

John Price Burdeshaw, Jr., of Lake Alfred, will serve as his brother's best man. Ronnie Berry and Douglas Gillis will be ushers.

Immediately following the ceremony a reception will be held at the home of Miss Cate's aunt, Mrs. Gertrude Williams, 337 East Main St. All friends of the couple are invited to both the wedding and the reception.

Order Rainbow Has Two New Members

The Misses Johnnie Oliver and Judy Cunningham were initiated into the Order of Rainbow for Girls at a meeting of the Pahokee Assembly in the Masonic Hall Monday night, with Miss Betty Harrison, worthy advisor, and her staff of officers in charge of the initiation work.

Final arrangements were made to send a group of delegates from the Pahokee Assembly to the annual meeting of the Grand Assembly to be held this year at the D-Lido Hotel, Miami Beach, June 23-26.

It was announced a special meeting will be held Monday night, June 20, at which time the name of winner of the radio the assembly is giving away will be revealed.

Farewell Party For Folks Who Will Leave

The home of Mr. and Mrs. H. J. Anderson on Bacon Point Road was the scene on Thursday night of this week of a farewell party honoring Mrs. Eva Howell and her sisters, Mrs. Susie Renfro and Miss Elizabeth Caraway, who are leaving after many years of residence in Pahokee to make their home in West Palm Beach.

Several tables of bolivia were in play. Farewell gifts were presented to the honoree by the group of friends present.

Shower In Honor Of Miss Charlotte Cate

The home of Mrs. O. R. Blech was the scene Tuesday night of a party and miscellaneous shower in compliment to Miss Charlotte Ann Cate, bride-elect of Daniel Wayne Burdeshaw, whose marriage to Mr. Burdeshaw will be an event at the Episcopal Church of the Holy Nativity, Sunday afternoon, June 19. Arrangements of spring flowers were used in decorating the living room of the Blech home for the occasion. Receiving with the honoree were her mother, Mrs. R. F. Chamberlain, and Mrs. Sam McKinstry, Jr. Serving as hostesses with Mrs. Blech were Mrs. Harold Wilkinson, Mrs. W. A. Cross, Jr., Mrs. R. F. Hurt, Mrs. Curtis Chase, and Mrs. Sam McKinstry, Jr.

Miss Cate was again honored on Wednesday afternoon when her aunt, Mrs. Gertrude Williams, and cousin, Miss Lovda Williams, entertained at their home on East Main St., with a kitchen shower for the bride-elect.

Mrs. Herman Kautz will entertain members of the bridal party Saturday night following the rehearsal for the wedding at the Holy Nativity Church.

Mr. and Mrs. J. Leo Chapman of West Palm Beach were guests of Mrs. Minnie L. Hughes in Pahokee this week.

PALM BEACH AIR FORCE BASE—Inside the living quarters of a WAF, Miss Bobbie Frierson of Canal Point, queen of the West Palm Beach premiere of "Strategic Air Command" and A-2C Marie Blessing talk over points about duty and location assignment of young women who plan to enter the Air Force in the immediate future.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

WEST PALM BEACH—Question of granting a private citizen a permit to carry a gun—when he has no connection with any law-enforcement or similar organization—was turned over to a committee by the County Commission this week for further study after commissioners reported such a permit had never before been issued to an individual.

Earl C. Bostrand, resident at a Lake Worth Trailer Park, submitted the request, which had been approved both by Sheriff John Kirk and the Lake Worth Police Chief. Commissioner Kenneth Foster reported that this was the first that the board had received such a request which had been approved by the Sheriff and a police chief and wondered if "it wouldn't be bad policy to begin approving such permits."

"While Mr. Bostrand has a perfectly legitimate and understandable reason for wanting the permit, there would be many others who could get permits who shouldn't be carrying firearms," Foster said.

The commission committee will check with Sheriff Kirk and the police chief to ascertain why Mr. Bostrand should be granted a permit when many other applicants have been refused. The committee will report back to the commission with its recommendation at next week's meeting.

In other actions this week the board:

Heard Chairman Ben F. Sundry report he has been unable to contact Thomas E. Manuel, Turnpike Authority chairman, for a meeting with the mayors of the north end of this county to discuss construction of an overpass on Highway 98.

Requested County Engineer S. R. Middleton to investigate the damage to Conners Highway at 20-Mile Bend resulting from the week-end rains. Commissioner Rardin described the damage as "severe" to the road where the water had gone over it.

Received a request from Criminal Court Judge E. G. Newell for pictures depicting Palm Beach County resources, attentions, etc. for use in the new criminal courtroom.

Received and turned over to Mr. Middleton for study and recommendation two bids each on electrical repair work at the County Home and for a glass enclosure for the Howard Johnson Restaurant at Palm Beach International Airport. The board also received five bids on erection of a new comfort station at John Price Memorial Park on Lake Osborne, Lake Worth.

Awarded, on the engineer's recommendation, the job of erect-

ing a shelter at South Bay to the P. C. Lissenden Construction Co. at a total of \$4,200; accepted the Effinger and Russell Company's bid of \$2,137.93 for treated bridge piling and okehed purchase of a two-door station wagon from Bev Smith, Inc., low bidder with \$1,840.24.

Changed the July 4th meeting date to Tuesday, July 5th, because of the national holiday.

Lonnie Phillips Has Birthday Party

Mrs. Jack Phillips entertained Saturday afternoon with a picnic and theatre party for her son, Lonnie, who was celebrating his eighth birthday anniversary. On Wednesday Lonnie left for a month's visit with his uncle and aunt, Mr. and Mrs. Mote Phillips, at Naples.

Local Methodists Plan Vacation School

Sixty-two children are enrolled in the Summer Vacation Church School which opened at the Canal Point Methodist Church Monday, June 13, and will continue through June 24, according to Mrs. W. K. Buchanan, general superintendent.

The classes, held daily from 8:30 to 11 a. m., Monday through Fridays, include Bible study, music, handicraft and similar vacation-time studies. Refreshments are served to the pupils by the women of the church daily during the recreational period.

Department superintendents assisting Mrs. Buchanan are Mrs. J. P. Parker, intermediate; Mrs. W. E. Johnson, junior; Mrs. C. L. Livingston, primary, and Mrs. Elmer Maxson, kindergarten.

Children who successfully complete the courses at the school will be awarded certificates during the Children's Day program at the church Sunday, June 26.

Mrs. C. R. Wetherington, Jr., is a patient at the Everglades Memorial Hospital this week.

Handle With Care

Tractors are like noses—or mules—in more ways than one. They can be pretty tricky if you don't handle them right.

Too many tractor accidents happen because of carelessness. The day grows hot and drowsy, the job grows monotonous—and bingo! Someone forgets to throttle down when making a turn, or something, and there's a bad spill.

Credit Slim Hartman's misadventure for the fact that there's never been tractor trouble on their place. Midway through every morning and afternoon she brings him snacks. "He'll stay on

the alert," she says, "if I get him off the tractor for ten minutes."

From where I sit, carelessness can cause plenty of harm in our off-the-job personal lives. For instance, suppose a neighbor prefers a glass of beer with supper. You might not share this particular preference with him—but if you're careless about protecting his right to choose, your own freedom of choice is in danger of being "plowed under."

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 ... a \$37.50 Bond will be worth \$67.34 ... and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 ... in 9 years and 8 months, you'll have \$2,850.70 ... and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H.

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Benjamin Franklin, whose birthday is January 17, was expert in handling money and his advice is as found today as 200 years ago. All quotations here are from his booklet, "The Way To Wealth," published 1760.

Ben Franklin gives you some expert advice about Payroll Savings

"What though you have found no Treasure, nor has any rich Relation left you a legacy, Diligence is the Mother of Good Luck."

Have you ever wished you had \$1,000, \$5,000 or more—to buy a car, get a home, help you toward retirement? Today, it is actually easy to save such large sums! Because, today, you can have your saving done for you—with automatic diligence—through the Payroll Savings Plan.

"If you would have a faithful Servant, and one that you like, serve yourself."

Serving yourself means *keeping* some of the money you make each week and investing it, for yourself. Here's how: you just name a sum to your company's pay office—a few dollars or as much as you want. Each payday, that sum will be saved from your pay, before you get your check and invested for you in one of the world's finest investments, U. S. Series E Savings Bonds!

"Little Strokes fell great Oaks."

Because Savings Bonds earn good interest, they're soon worth more than the money you've invested in them. And how your savings mount up! Sign for as little as \$5.00 a week and in 9 years, 8 months, you'll have \$2,850 *cash*. In 19 years, 8 months, you'll have \$6,872!

"One To-day is worth two To-morrows, and farther, Have you somewhat to do To-morrow, do it To-day."

For your own sake, don't put off joining the 8 million Americans who are making their dreams come true through Payroll Savings. Sign up for Payroll Savings today. Or, if you're self-employed, invest in Savings Bonds regularly where you bank. If you want your interest as current income, ask your banker about 3% Series H Bonds which pay interest semiannually by Treasury check.

Many a Little makes a Mickle."

Miss Nancy Hillier Honored With Shower

The Pahokee Woman's Club building was the scene Monday night of a party and shower in compliment to Miss Nancy Ann Hillier, bride-elect of William Thomas Pease of Winter Garden.

Pink hibiscus blossoms and fern were used in decorating the clubhouse for the occasion. Mrs. O. D. Carpenter presented Miss Lynn Shirley, pianist, and Miss Carol Carpenter, vocalist, in a musical program.

Mrs. Charles Sears was in charge of the guest book. The honoree was assisted with the opening and display of the gifts by her sister, Mrs. Thelma Brown.

Hostesses were Mrs. Graham Mole, Mrs. Elmer Jones, Mrs. H. T. Williams, Mrs. Ellsworth Keen, Mrs. Bobby Peacock, Mrs. M. J. Sapp, Mrs. P. A. Sizemore, Mrs. J. C. Schoepfer, Mrs. K. L. Rockwell, Mrs. Oscar Dobrow, Mrs. O. D. Carpenter, Mrs. C. L. Shirley and Mrs. Homer Barnes.

New Methodist Pastor Arrives In Pahokee

The Rev. A. D. Houghlin, assigned as new pastor of the Pahokee First Methodist Church at the recent Florida Methodist Conference in Lakeland, arrived in Pahokee Thursday with Mrs. Houghlin from Bradenton to assume his new duties as head of the Pahokee Church.

Dr. Rembert A. Guy, who has served as pastor of the Pahokee First Methodist Church for the past three years, left Thursday with Mrs. Guy for Key West where he will be pastor of a Methodist Church in that city.

The Rev. Bennett William Palmer was reassigned as pastor of the Canal Point Methodist Church at the conference and returned to Canal Point Tuesday evening to begin his third year of service to the church and the community.

Plans Are Made To Welcome New Pastor At Pahokee Church

Members of the Pahokee First Methodist Woman's Society of Christian Service at a meeting in the church Monday night made plans to welcome their new pastor, the Rev. A. D. Houghlin, and Mrs. Houghlin at a covered-dish dinner at the church Wednesday, June 22, at 7 p. m., with the Mary Martha Circle to be in charge of arrangements. The new minister and his wife are scheduled to arrive in Pahokee this weekend from Bradenton.

The group voted to serve refreshments to the children who attend the summer vacation church school to be held at the church in August under the direction of Mrs. Lloyd Hundley, general superintendent.

It was also voted to suspend the regular meeting of the WSCS in July, the next meeting to be Aug. 1, with the Margery Lair Circle to be in charge of the program. Mrs. H. J. Anderson announced members of the Margery Lair and Mabel Simonson Circles will have a covered-dish supper at her home Monday, June 20, at 6 p. m., with husbands to be guests.

Farewell gifts were presented to Mrs. Eva Howell, a charter member, and her sister, Mrs. Susie Renfro, who are moving from Pahokee to their new home in West Palm Beach July 1. Mrs. Arch Blakey made the presentation on behalf of the group.

The traveling attendance pin for June went to the Gertrude Shirley Circle, Mrs. William Plumer, chairman.

Mrs. C. A. Canipe of the Gertrude Shirley Circle was in charge of the program. She introduced Mrs. J. R. York, assistant Pahokee High School principal and pioneer resident, who spoke on "Early Days in Pahokee." Mrs. Hugo Boe gave the devotional program, "Believe and Succeed."

Members of the Gertrude Shirley Circle were hostesses during the serving of refreshments following the meeting. Mrs. Frank Friend, president, presided.

Hospital Board Will Hold Annual Dinner

Members of the Northwestern Palm Beach County Public Hospital Board, which governs the operations of the Everglades Memorial Hospital at Pahokee, will hold their annual dinner in the Community Hall at Canal Point this Friday night. Jesse W. Reel, administrator of the Everglades Memorial Hospital, is in charge of arrangements.

Christian Science Group Of Canal Point

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon to be read at Christian Science services this Sunday.

Scriptural selections from the King James Version of the Bible stress the supremacy of spiritual power and include the account of Christ Jesus feeding the multitude as recorded by Matthew (14:14-20) and John's account (6: 16-21) of Jesus walking on the sea.

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (27: 21-26): "God never ordained a material law to annul the spiritual law. If there were such a material law, it would oppose the supremacy of Spirit, God, and impugn the wisdom of the creator. Jesus walked on the waves, fed the multitude, healed the sick, and raised the dead in direct opposition to material laws."

Bill Howard Tells Lions' Of Rec Work

Coach William D. (Bill) Howard, director of the Summer Recreation Program being planned for Pahokee school children at the city park, June 20-July 29, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. He was introduced by Thomas Kubeck.

The club voted \$100, matching funds voted by the Canal Point Lions Club at its dinner meeting Monday night, to go toward meeting the expense of corrective eye surgery for a local school boy. The two clubs are pooling funds in this joint sight conservation project.

Duncan Padgett, chairman, outlined final plans for the club-sponsored barbecue to be held July 4 as a part of public program on that day in Pahokee in celebration of Independence Day.

Miss Laverne Carter Weds Jim Miller

Announcement has been made of the marriage of Miss Laverne Carter, daughter of Mr. and Mrs. M. M. Carter of Clewiston and James Marvin (Jim) Miller, son of Mr. and Mrs. Herbert A. Miller of Pahokee.

The wedding took place at the courthouse in Folkston, Ga., Saturday, May 28, at 5 p. m. with Judge Corners officiating.

The bride is a graduate of the Belle Glade High School and is employed as operator at the Belle Glade exchange of the Southern Bell Telephone and Telegraph Company.

Mr. Miller is associated with the Gold-Dobrow Theatres as manager of the Ace Theatre in Belle Glade.

Following a wedding trip to the North Central States, including visits with relatives in Grand Rapids, Mich., and Portland, Ind., Mr. and Mrs. Miller are making their home in Pahokee with his father, Herbert A. Miller, until next fall when they plan to move into their own home.

Miss Joyce Lindsay Weds Donald Avera

Miss Joyce Lindsay, daughter of Mr. and Mrs. S. L. Lindsay of Pahokee, and Donald Avera, also of Pahokee, exchanged marriage vows in an impressive double ring ceremony held at the Pahokee First Baptist Church Sunday afternoon, with the Rev. U. W. Malcolm of Belle Glade officiating.

The altar was decorated for the event with tall baskets of white gladioli against a bank of palms. The three candelabra bearing the lighted white tapers were entwined with fern and white satin bows marked the family pews.

Robert O. Lampi, baritone, sang "The Lord's Prayer" while the bridal couple knelt at the altar. He also sang "Because," accompanied at the piano by Miss Rose Marie Henderson who played the traditional wedding march.

Given in marriage by her father, the bride was radiant in a gown of white Chantilly lace and nylon lace over white satin. The fitted bodice of lace over satin and the long lace sleeves, pointed at the wrist, were both re-embroidered with iridescent sequins. The chapel-length bouffant skirt was nylon tulle over satin. The French illusion veil of elbow length was attached to a coronet of seed pearls. A single strand of pearls was her only ornament. She carried a bouquet of white carnations centered with a white orchid.

Miss Phoebe Anne Ramey, maid of honor, wore a princess-style dress of pink silk shantung with sleeveless fitted bodice and a short-sleeved duster of the same material to match. Her small off-the-face white hat was trimmed with seed pearls and rhinestone. She carried a bouquet of blue carnations.

Miss Mary Ellen Crews and Miss Faye Mackey, bridesmaids, both wore dresses and dusters identical in design to that of the maid of honor but of aqua color. Their white hats were also identical to that of the maid of honor. They carried pink carnation bouquets.

B. Elliott, Jr., served as Mr.

Avera's best man. Pat Turbeville and Ronnie Berry were ushers.

Mrs. Lindsay chose for her daughter's wedding a dusty blue shantung dress with pink accessories and a purple orchid corsage.

Immediately following the ceremony Mr. and Mrs. Lindsay were hosts at a reception in the Woman's Club building. Miss Patsy Batchelor, cousin of the bridegroom, was in charge of the bride's book. Mrs. Bertha Dykes of Pruden, Tenn., aunt of the bride, served portions of the three-tiered wedding cake while the Misses Sadie Clifton and Betty Harrison presided at the punch bowl. Mrs. Robert Walker, and Mrs. C. A. Batchelor, aunts of the bridegroom, and Miss Patricia Clark also assisted.

For her going-away dress the bride changed to a two-piece white linen ensemble with white hat and accessories and a white orchid corsage. Following a week's wedding trip to Daytona Beach and other points in Florida Mr. and Mrs. Avera will be at their home in the Gant Apartment, Pahokee.

Mr. and Mrs. C. R. Wetherington, Jr., had as guests Sunday his parents, Mr. and Mrs. C. R. Wetherington, Sr., of Fort Lauderdale; also his brother-in-law and sister, Sgt. and Mrs. Herbert Straughn of Montgomery, Ala., who were en route to Waco, Texas, where he has been transferred in the Armed Forces.

Harry Brooks Elarbee, accompanied by Vernon Elarbee of Tampa, attended the graveside services held for his father, Dr. Harry M. Elarbee, at Groveland, Ga., Sunday at 3 p. m.

**Make your dream house come true! It's easy
—through Payroll Savings!**

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving *automatically*—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is *automatically* invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

Mrs. L. W. Armstrong reported progress is being made in the picking up of abandoned vehicles within the city limits. City Attorney Ralph O. Johnson recommended that the council pass an entirely new ordinance for the regulation of traffic within city limits and distributed to council members for study copies of a list of suggested provisions the proposed new ordinance would contain.

It was voted to pay K. C. Mock and Associates \$2,100 for engineering services in preliminary planning work on the proposed new breakwater. J. L. Chapman of the Okeelanta Plantations Corporation and O. B. McClure, former mayor, appeared before the Council to inquire how the group plans to replace in the city's future budgets the \$10,000 in cigarette tax money it has earmarked for the annual repayment of the \$200,000 loan from the State's Internal Improvement Fund for the construction of the breakwater. Mayor Lewis Friend explained the city hopes to replace a considerable portion of this sum from concessions, special services and rentals of harbor and docking facilities after the breakwater is completed. The city's waterworks department will pay for the use of the breakwater to form a settling basin and assistance in the annual repayment of the loan will be requested from the Palm Beach Port of Authority, according to Mayor Friend, who said every effort will be made to avoid raising the real estate and personal property taxes to pay for the breakwater.

R. O. Crosby's request for a rezoning of his property in the Negro Section was tabled for study because of the absence of two members of the Council, J. H. Wilkinson, Jr., and R. B. Simonson.

Coach William D. (Bill) Howard, who together with Coach Webb Pell will direct the summer recreation program at the Pahokee city park, was informed that the city has set up \$300 in the current budget for the purchase of equipment in the summer recreational program. The Council voted to earmark \$100 of this sum for recreational equipment for Negro children.

The Council accepted an offer by the Okeelanta Plantations Corporation to use a tract of its land fronting East Main Street across from the Elks grounds as a roadside park and picnic grounds until such time as the company wishes to sell the land.

Also discussed at the meeting a proposed 500-foot extension of a six-inch main at the State Farmers Market to raise the water pressure necessary for the processing of

vegetables and to improve fire protection facilities at the market and the drawing up of an ordinance to prohibit the staking out of cows near residences other than that of the owner of the cattle.

P. M. Cate, Jr., is a patient at the Everglades Memorial Hospital this week.
